

Disaster Preparedness/Emergency Preparedness Resources to help you plan, respond, and recover

We are providing a short list of resources for you in case of a natural disaster/emergency. Please be sure to check your local agencies at (yourstate).gov for more resources. Also, we are not responsible for and do not necessarily agree with the content of these resources. Please do your due diligence in research, and most of all... be prayerful and lead by the Ruach Ha'Kodesh.
